

BRISBANE STATE HIGH SCHOOL ACKNOWLEDGEMENT OF COUNTRY SONG

Written by Waveney Yasso and BSHS students

We come together from everywhere

We come together to show we care

This generation will protect this land

For those before us, it's in our hands

We learn the seasons of Meanjin

This ancient country, where we stand

From every river, to every plant

We look for guidance, from sky to sand

Turrbal Yagera Brisbane

We share a history, we understand

We offer healing, we show respect

We hear our elders, and learn from them

We walk together to grow again

Beneath the fig tree, we connect

The Earth will lead us, our Motherland
