

# Merit Entry Equity Bursary 2020 Application form

Brisbane State High School is a public school that is committed to providing opportunity for students. We do not wish for students to be prevented from activities or enrolment due to genuine hardship. The school charges an enrolment application fee (currently \$420) out of necessity.

We have discovered that there are a small number of families for whom this fee prevents application. This bursary is designed to assist a small number of families in this situation.

## Bursary Conditions

What this bursary involves:

1. This bursary **only** covers the enrolment application fee (currently \$420).
2. This bursary applies to entry via the Academic selection tests in 2020 (Year 6 in Semester 1 and Year 5 in Semester 2).
3. The application form for the 'Merit Entry Equity Bursary' is required to be submitted prior to the due date of the test application and be provided with all other enrolment application materials as well as payment details for the enrolment processing fee (i.e. currently \$420). We will only process payment for those applications where the Merit Entry Equity Bursary is unsuccessful.
4. The application form must be completed in full to be considered.
5. A maximum of seven bursaries will be awarded in 2020.
6. Only applicants who are successful in the offer of enrolment under the Academic Selective Entry category (offers are based on results of the Academic Test) and who meet the bursary criteria will be considered for the Merit Entry Equity Bursary.
7. A small selection panel consisting of the Executive Principal, Dean of Students and the Executive Principal's nominee will confidentially consider the information provided on the application form.
8. To assist the selection panel in its deliberations, please complete the 2020 Merit Entry Equity Bursary application.
9. The selection panel may request evidence of supporting documentation from applicants who are shortlisted.
10. The panel's decision is final and no correspondence will be entered into by the panel in relation to that decision.

## Eligibility

Bursaries are considered where a family can evidence genuine financial hardship.
