

1. Purpose

Awards at State High have two key purposes:

- to reinforce a desired behaviour in the recipient of the award
- to demonstrate to the school and wider community the kind of behaviour that the school values

Our aim is to use rewards as a powerful mechanism for aligning actual behaviours and values with desired behaviours and values. This document outlines the principles and processes we use to drive a positive, values driven culture.

Our four values are:

These values shape the awards we present.

2. Principles

- Awards are determined against published criteria.
- Criteria will be objective where possible. If subjective judgements are required, the means of assessing these criteria are published.
- The Outcomes of Awards will be published. The reasons for an award will also be clear at the time of presentation.
- The Adjudicators will be published.
- Conflicts of Interest will be declared. Where a conflict exists, the adjudicator will recuse themselves from the process.
- Awardees will meet set eligibility criteria.
- Every step will be taken to ensure that all possible award recipients are identified and considered.
- Awards are not always given. If no student meets the criteria, then no award is made.
- Awards are earned and are not notional.
- Awards will recognise our central theme of achievement AND progress, awarding for achievement or progress or both.
- The awards and the processes used maintain the value and validity of the awards system.
- This extrinsic awards process complements the value we place on intrinsic recognition.

3. Eligibility

Because we value and wish to reward certain behaviours, each award winner must reach a threshold of desired behaviours in order to be eligible for any award.

Eligibility does not infer entitlement. Once eligibility is determined, the student's attainment of an award is based on the criteria for the award.

The eligibility criteria are:

- **Attendance** at all required lessons, training, meetings, practice and/or rehearsal sessions, meets, competitions, fixtures and/or performances, including all lead up activities listed in the participation point below.
 - All absences must be explained and documented and approved by the appropriate person.
 - Individual students who prepare externally for sporting/other competitions will provide evidence of attendance to fulfil attendance criteria.
 - Students with conflicting school commitments will have a negotiated attendance schedule in consultation with the MICs, adjusted by the Directors and approved by the HOD Extra-Curricular and will be required to follow this schedule to fulfil attendance criteria.
- **Participation** in all lead up activities: meets, approved competitions, fixtures, practices and/or performances.
 - This is also subject to negotiation where conflicting commitments apply.
 - Approved absences are not penalised.
- Exemplary **attitude and behaviour**.
- **Payment** obligations (if payment is required) for an activity have been met.

4. Processes

Where there are multiple applicants/nominees for an acknowledgement and/or reward, a selection panel will be appointed to discern the most suitable applicant/s. The composition of selection panels will be determined by the Executive Principal who will ensure that the most knowledgeable and appropriate people are appointed.

Where selection panels are required, to ensure impartiality, the following applies:

- members of a panel will declare a conflict of interest (if one exists) and step down from the panel.
- a replacement panel member will be appointed by the Executive Principal or delegate if a member steps down.

A conflict of interest includes such things as a parent/child relationship, sibling relationship, other extended family relationship or a personal friendship with a member of the student's family. If, on other occasions, a panel member holds the belief that objectivity might be problematic, the panel member should recuse themselves.

Appendix 1

Types of Awards:

Badge: Badges are generally awarded at the commencement of a student's involvement in an activity. The badges serve not only as an acknowledgement of service but also as a method of identifying participating students to the school community.

Students who currently participate in the following activities will be presented with a badge to signify their involvement in the activity.

- Student Representative Council
- The Ink Drop
- Peer Supporters
- Peers for Academic Success (PAS)
- City Cluster Leadership Program
- Senior Formal Committee
- Senior Video Committee
- Y11 Social Committee
- Year 9 Video Committee
- Media Crew
- ANZAC Day Cadets

This list is reviewed annually.

Bursary: Students who are awarded a bursary must meet the criteria set by the donors of the bursary. The bursaries are awarded at the Leadership & Learning Ceremony. *See Appendix 8.*

Certificate: Students are presented with certificates for a wide range of activities as recognition of contribution and/or service to the school.

Trophy/Shield: Students receive a trophy/shield for a variety of special achievements which are presented at end of season activity dinners or at the Leadership & Learning Ceremony. Some of these awards are perpetual and are returned to the school after the Leadership & Learning Ceremony. The name of the annual winner is engraved on the trophy/shield. *See Appendix 8.*

Pocket: Pockets are awards that have the name of the activity embroidered on the blazer pocket. Students are awarded Pockets for participation, achievement and/or excellence in a variety of activities including cultural, sporting, academic, service and leadership. Pockets are embroidered in either red, silver or gold – depending on the level of involvement and participation. *See Appendices 2–7.*

Appendix 2

Pockets:

Pockets are awarded to recognise student achievement and quality participation in a range of school endeavours/activities. Students are eligible for **one** Pocket for each activity in which they participate in a calendar year. A Pocket is a line of embroidery on a blazer pocket signifying involvement in that activity. Any change (addition or deletion) to the eligible activities is at the discretion of the Executive Principal/delegate.

1. **Pockets will be awarded by** the Executive Principal or delegate on the recommendation of one of the following:

- Deputy Principal (All categories)
- HOD Extra-Curricular Activities
- Director of Activities
- MIC
- Head of Department

2. **Pockets awarded are known as:**

- Award: Red lettering below the BSHS emblem
- Half: Silver lettering below the BSHS emblem
- Full: Gold lettering below the BSHS emblem
- Gold: Gold border around the BSHS emblem and lettering on a red velvet background.
- Special: Gold wreath on both sides of the BSHS emblem with gold lettering above the emblem.

3. **Award Pocket**

- Awards Pockets are available to all students participating in a school approved extra-curricular activity.
- Eligibility and award specific criteria must be attained. Only one Pocket can be awarded in each activity per calendar year.
- Activities are those with a defined period of preparation, commitment and/or competition.

4. **Half and Full Pockets**

- All students who are involved in approved activities in which they represent the school will be eligible for a Half Pocket or a Full Pocket.
- Eligibility and award specific criteria must be attained. Only one Pocket can be awarded in each activity per calendar year.
- Non-GPS and non-QGSSSA sports such as Fencing, Water Polo and AFL must compete in Division 1 of an approved competition to be eligible for these Pockets.
- Students who successfully trial on behalf of the school at the Queensland All Schools trials are eligible for a Pocket. Students who place in the top five at the state competitions are eligible for a Full Pocket and those who place sixth – tenth for a Half Pocket. This includes competitions such as triathlon.
- A Half Pocket is awarded for a high level of achievement and a Full Pocket only for the highest level of achievement in the activity.

5. **Exceptional Circumstances**

An MIC/staff member in charge of any activity may present a recommendation for the award of a Half or Full Pocket on the grounds of exceptional circumstance, e.g. injury, illness, outstanding commitment/leadership. Full written details are required. Such recommendations would be rare.

6. Gold Pocket

A student who has been awarded **four** Full Pockets in a minimum of two different activities is eligible for a Gold Pocket. The definition of 'different activities' is subject to the discretion of the Executive Principal.

Eligible students should apply in writing to their Deputy Principal or the HOD Extra-Curricular stating their eligibility details.

Presentation of Gold Pockets will be at school assemblies.

7. Embroidery on Blazer Pockets

GPS Activities

- According to GPS rules:
 - only the First team in each activity competes for a premiership. Consequently, the word 'PREMIERS' can only appear on a Pocket for a member of the Firsts.
 - other teams that place first obtain an embroidered star symbol (5-point star, 8mmx8mm) which is placed before the activity name on the relevant Pocket. A pennant or certificate may also be presented to members of that team. The star will be embroidered in the same colour as the Pocket.

QGSSSA

- According to QGSSSA rules:
 - teams at all levels of each activity compete for premierships. Consequently, the word 'PREMIERS' can appear on a Pocket for a member of any team that is placed first in its division.

Examples of wording of lettering on blazer pockets include: ATHLETICS 2022, HOCKEY OPEN PREMIERS 2022, NETBALL OPEN 2022, RUGBY 13B 2022.

8. Reviewing Pockets

A student may seek a review regarding the awarding of a Pocket by discussing the matter initially with the MIC or staff member in charge of that activity. If the matter cannot be resolved, the student should put his/her case in writing and forward it to their Deputy Principal for consideration.

Any written review must be for the current year. Retrospective reviews will not be accepted.

Documentation process and procedure

The documentation process for recording acknowledgements, rewards and awards, including Pockets, is the responsibility of the staff member responsible for the activity. All such records must be recorded in **OneSchool** by the appropriate staff member in a timely manner. Only after such records are entered into OneSchool can the process of awarding be actioned.

Many acknowledgements and rewards result in the awarding of a Pocket. **The process for recording awarded Pockets in OneSchool** is dependent on the category of Pocket being awarded.

- Cultural, Sporting and Other Extra-Curricular awards are recorded by the Extra-Curricular Support Officers (ECSO).
- Academic Pockets, Leadership, Spirit of State High and Service Awards are recorded by the Data Management and Analysis Officer.

How students and/or parents check their Pocket status:

- A student profile is generated in the first weeks of each term.
- With the profile, the student receives the following information which articulates all the remaining steps:

Thank you for your email.

You will find the Pocket profile attached. If there are any errors or missing awards, please email back to pockets@brisbaneshs.eq.edu.au with further details of the missing awards. Alternatively, if you require further clarification regarding any Cultural, Sporting and Other Extra-Curricular awards, please see the Extra-Curricular staff in D Block.

Once complete:

Print out this attachment and take it – with the blazer – to the Uniform Shop.

Remember that there is a cost involved in having Pockets embroidered onto the blazer:

- Approximately \$10 to have the blazer pocket removed and reattached; and
- Approximately \$10 per line of embroidery.

The Uniform Shop can talk with you in more detail about this.

How elected leadership positions that attract a Pocket are awarded and recorded

All whole-school elected leadership positions (Captains and Vice-Captains, Prefects, Junior School Leaders, House Captains, Spirit Captains) are automatically awarded a Pocket. **OneSchool** is where the names of the successful applicant/s are recorded to ensure Pockets are also awarded. The staff member responsible for election of the student leader/s is responsible for ensuring that the details of the successful applicants are recorded in **OneSchool**.

The position specific process and criteria is made available during the application process.

Other

Some acknowledgements and rewards, most of which are presented at the Leadership & Learning Ceremony in Term 1 each year, are **Special Awards**. Recipients of some of these awards are eligible for a Pocket.

The MIC/Coordinator of each activity will compile and submit a list to the appropriate support staff member – Cultural and Sport to the ECSOs and others to the Data Management and Analysis Officer.
