Please read the following Booklist Information carefully before placing your order for 2025.

For textbooks Brisbane State High School requires the purchase of a **DIGITAL TEXTBOOK**, where available. Physical copies of the textbook are only available where there is not a digital option. Unless otherwise noted these items are a mandatory purchase for each particular subject. Physical items will be delivered to your home address.

Once purchased, the digital texts can be accessed by signing in to the student's [Brisbane State High School Box of Books account](#) using your School email(ending in @eq.edu.au). We strongly recommend students sign in to Box of Books before the start of the 2025 school year to ensure their textbooks and publisher interactives (e.g. online quizzes) are set up prior to the commencement of term.

Items that are essential for a particular subject will be listed under "**Required Items**". Some subjects will also provide or "**Optional Purchase**". Where these items can be purchased from Box of Books (BoB) the item will be priced underneath. If BoB does not offer this item for purchase you will need to source it from your usual retailer.

A donation to our Foundation and/or Library Resources assists the school in delivering projects and resources that directly benefit the students.

The BSHS Foundation provides funding for building and infrastructure projects such as the new Music Amphitheatre on Merivale Campus and the large LED Screen in F Block.

Donating to the Library Fund provides much needed funding to ensure that students have access to the latest novels, books and online study resources.

Donations to both of these entities are tax deductible and a tax receipt will be issued by the school and/or Foundation.
