END

TELL THE STORY

- What was it that you were a part of? What was your role?
- What is it about this group, activity or situation that you enjoy? What are the traits or skills that you have been developing that you're proud of?
- What have you learned about yourself by being part of this? How will you use this to inform your planning for your future pathway?

I could talk about...

- Interests
- Values
- Belonging
- Overcoming Challenge
- Impact
- Growth

My Learning Growth

EVIDENCE

Insert evidence of learning from Year 11 that represents a story of your academic growth.

Evidence can be schoolwork, feedback, VET/workplace evidence, a certificate, a photo, or something you can now do.

TELL THE STORY

- Where did you begin with this learning (knowledge/ skill)? What was the challenge that you had to overcome? What motivated you to work on this?
- What processes and strategies did you use to target this knowledge/ skill? What/ who helped you?
- What was the result? What have you learned through this improvement journey? What areas do you still need to improve?
