About State High

Since 1921, Brisbane State High School has come to symbolise and exemplify excellence in public school education. Today, State High offers a truly unique learning environment. Students are surrounded by possibility and opportunity in many diverse areas – academia, sport, culture, international experiences and community responsibility.

Our great strengths are the partnerships we forge between students, staff, parents and the wider community. These partnerships enable us to build on the strengths of tradition and performance and to live out our values and our commitment to the provision of a world class education for every student.

We are delighted to be able to share our school with you and make you a part of the State High family.
