

## Voluntary Contribution Appeal

Dear Parents and Guardians,

The Parents and Citizens Association Executive team would like to welcome you and your child to the State High Community.

We would like to provide some information about what your Parents and Citizens (P&C) Association provides for you and your child from funds generated by the Voluntary Contribution Appeal each year. Also enclosed, you will find your financial statement from our School outlining subject fees and other costs associated with your child's involvement at the school.

With your ongoing support, the P&C Association continues to deliver valuable additional services to the school for the benefit of all students. Some of the activities assisted by your voluntary contributions include:

- ✓ Funding the **Student Personal Injury Insurance** which is not covered by Education Queensland – financial coverage for students injured at school or representing the school in an official capacity.
- ✓ Providing **additional funding to our School's Research Centre** to maintain and **expand resources**, such as online databases – the P&C provides approximately 50 per cent of the total library operating budget.
- ✓ Contributing to the **cost of school mini-bus and school vehicle for use by staff and students** for school excursions and sport commitments when representing the school. This assists with keeping the cost of bus hire for excursions to a reasonable level for families. It is our goal to expand the fleet to include a larger bus as well.

***We ask for your financial support of these initiatives. It would be appreciated if you could please play your part and contribute promptly – it represents a valuable investment in your child's education.***

***How to pay your contribution*** - please tick a box and complete your details below:
