Brisbane State High School received

**\$833,194**

## Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Monitoring the performance of our students systematically and intervening where needed.
- Providing support for students currently near or below NMS.
- Enhancing the skills of teachers in the six focus areas.
- Enhancing the deliberate practice of Professional Learning Communities.
