

Investing for Success

**Under this agreement for 2018
Brisbane State High School will receive**

\$914,654 *

This funding will be used to

Reach 100% National Minimum Standard (NMS) in all NAPLAN domains or have individual plans to do so.
Develop skills of all students across all domains.

Our initiatives include

Provide intervention strategies for students currently below or near NMS.
Continue the work of Professional Learning Communities.
Professional Learning for Teachers in the school focus areas: Reading, Student Directed Goals, Reflective Practice, All students Learn, Learning Behaviours and Learning Pit.
Develop the skills of senior students, in targeted programs, based on evidence.

Our school will improve student outcomes by

Monitoring the performance of our students systematically and intervening where needed.
Providing support for students currently near or below NMS.
Enhancing the skills of teachers in the six focus areas.
Enhancing the deliberate practice of Professional Learning Communities.

Funding:

Additional Staff to provide the monitoring and intervention support:	\$894,654
