Staff Excellence Awards

In 2010, the Teaching Excellence Awards were inaugurated at Brisbane State High School to celebrate teachers who have been recognised by their peers and/or members of the wider community for excellence in teaching. Teachers do amazing work every day in our school. This is a great opportunity to recognise and thank them as a whole school community.

Brisbane State High School also recognises exemplary work undertaken by our support staff. These awards recognise support staff work, performance and service of the highest calibre together with a work ethic that is above and beyond the standard expectations held for this category of staff in schools. Nominations are open to administrative, cleaning, facilities, ICT, pastoral, science and teacher aide staff.

School Song

We sing the High School
the good old High!
The School that's your School and my School,
the dear old Brisbane State High, High!
For the School that we love is the High School.

And we'll remember
our old High School
as years roll on we'll remember
and thoughts of pride shall ne'er grow cool
for the Brisbane State High School

State High, State High,
with might and main we'll try,
to write your name in a text of flame,
on the scroll of fame.

With pride and joy let every girl and boy
in chorus vie with a gladsome cry
for the old State High.

Where in classroom working, no one shirking
all must do their share,
in toil for the School that they love;
or in games competing, bravely meeting
loss without despair,
in play for the school that they love.

So here's to you,
old School so brave and true,
whose name and fame
are the boast and claim of the 'Blue-Red-Blue'.

State High, State High!
Long Live the sturdy old State High!

State High, State High!
Long Live the sturdy old State High!

*Composed by R. Benatzky and R. Stoltz
Arranged by E. Winterstein.*

School Philosophy

Our Motto

Scientia est Potestas – Knowledge is Power

We believe that the pursuit of knowledge equips and enables our students to make a powerful difference in the world.

Our Values

Learning – We love knowledge, learning and curiosity.

Excellence – We strive for world class standards and personal bests.

Respect – We earn respect for our integrity, humility and altruism.

Public Education – We celebrate diversity as well as the things that bind us together.

Our Vision

Schooling at State High is a happy and inspiring experience—a time and a place where every young person develops intellectually, personally and socially. Every student experiences rigorous learning, significant personal growth and the spirit that comes from belonging to something bigger than themselves.

Our Purpose

As a learning community, we are committed to developing young people to achieve their potential intellectually, personally and socially.

Intellectually, as: life-long, curious learners and independent, creative thinkers.

Personally, as: resilient, balanced individuals and confident, principled communicators.

Socially, as: active, caring citizens and enthusiastic, contributing team members.
